

ADVISORY COUNCIL ON ADOLESCENT HEALTH

Commissioned in 1982. Serving the people of Colorado in the interest of healthy youth.

Dedication:

The Fifth Annual Report on the
Health Status of Colorado's Teens

Adolescent Health in Colorado, 2003

To

Roberta K. Beach, MD, MPH

For her thirty-year career as a visionary leader shaping the policies and practice of adolescent health; for her tireless contributions to the field of knowledge on adolescent health and well-being; for her role as an esteemed mentor of adolescent health care providers who continue to carry on this important work; for her work as a dedicated provider of adolescent health care, shaping the lives of hundreds of Colorado's youth; and for her contributions as the respected first chairperson of the Advisory Council on Adolescent Health, from 1982-86: the Advisory Council on Adolescent Health and the Colorado Department of Public Health and Environment gratefully dedicate this report to Dr. Robin Beach.

Members, Youth Partnership for Health

“Teenagers are filled with energy, enthusiasm, idealism and endless potential. Every one of them counts, and they deserve the best we can offer.” – Dr. Robin Beach
