Project Development Branch
4201 East Arkansas Avenue, 4th Floor
Denver, Colorado 80222
(303) 757-9331
FAX (303) 757-9868

Date: July 10, 2001

TO: All Holders of the *CDOT Project Development Manual*

FROM: Dean VanDeWege, Project Development Branch Manager

SUBJECT: Rewrite of the *CDOT Project Development Manual*

A task force recently reviewed and rewrote the *CDOT Project Development Manual*. The main purpose of the *CDOT Project Development Manual* is to provide a quick, easy-to-use overview of situations or dilemmas that might be encountered in the course of developing a project. The manual is intended to assist new engineers, designers and consultants. The rewritten manual is effective immediately.

CDOT Staff Branches publishes an assortment of manuals vital for the engineer to properly work on and complete a project. It is the intent of Staff Branches to add all manuals to the CDOT website as the manuals are updated and revised (see <http://www.dot.state.co.us/DevelopProjects/DesignSupport>).

The *Project Development Manual* also can be purchased for \$20.00 from the CDOT Office of Bid Plans, Room 117, 4201 East Arkansas Avenue, Denver, Colorado 80222. CDOT units ordering the manual can place their order by completing CDOT Form 960 and coding to item 71510-034. Consultants and engineers desiring to order the manual need to send a check for \$23.00 (the additional \$3.00 is to cover mailing costs) to the same address or may purchase a copy at the Bid Plans room.

If you have questions regarding the *CDOT Project Development Manual*, contact Larry Brinck at (303) 757-9474 or Sandra Wilmoth at (303) 757-9229.
