Exhibit IV-H Continued - Page 2

---

**Level of Clearance Finding:**

Based on the foregoing environmental review, it is concluded that:

- FINDINGS: A request to the Colorado Department of Local Affairs for release of funds for this project is not an action significantly affecting the quality of the human environment, and no EIS is required.
  
- FINDINGS: A request to the Department of Local Affairs for release of funds for the within project is an action significantly affecting the quality of the human environment, and an EIS is required.
