### Emergency Declaration

On March 10, 2020, Colorado Governor Jared Polis verbally declared a disaster emergency pursuant to the Colorado Disaster Emergency Act due to the presence of COVID-19 in the state. [Executive Order D 2020-003](#) memorialized this declaration a day later. A disaster emergency allows the Governor to activate authorities and resources that are unavailable in non-emergencies and specifically authorizes the administration to take steps, such as suspending certain statutes, rules, and regulations, to limit the spread of COVID-19.

The Governor has extended the order declaring a disaster emergency sixteen times: [D 2020-018](#), [D 2020-032](#), [D 2020-058](#), [D 2020-076](#), [D 2020-109](#), [D 2020-125](#), [D 2020-152](#), [D 2020-176](#), [D 2020-205](#), [D 2020-234](#), [D 2020-258](#), [D 2020-264](#), [D 2020-268](#), [D 2020-284](#), [D 2020-290](#), [D 2020-296](#) (in effect until 1/25/2021).

### Executive Orders

Since the declaration of a disaster emergency, Governor Polis has issued approximately 300 executive orders in response to COVID-19. Executive orders typically expire after 30 days. Approximately 50 of the Governor's orders establish a directive or suspend statute, with the majority of the others extending or amending the initial orders.

The executive orders are summarized by topic in alphabetical order below.

**Alternate care sites.** [Executive Order D 2020-071](#) allows the operation of alternate care sites across the state in the event COVID-19 overwhelms hospital resources. Extensions and related orders: [D 2020-107](#), [D 2020-137](#), [D 2020-163](#), [D 2020-189](#), [D 2020-218](#), [D 2020-244](#), [D 2020-275](#) (in effect until 1/6/2021).

**Ballot petitions (expired August 10, 2020).** [Executive Orders D 2020-065](#) and [D 2020-103](#) authorized the Colorado Secretary of State to establish temporary rules to permit signature gathering for ballot initiatives by mail and email. The executive orders also suspended Colorado law that required signatures to be submitted within six months after ballot language is finalized and instead allowed signatures to be submitted by the deadline set in the constitution, which was August 3, 2020.

The Colorado Supreme Court, however, ruled that the Governor cannot suspend constitutional requirements by executive order, thereby requiring initiative proponents to gather signatures in person. In response, [Executive Order D 2020-128](#) deleted sections of the previous order concerning signature gathering, but left in the one regarding the August 3 deadline.

**Candidate petitions (expired July 28, 2020).** [Executive Order D 2020 053](#) extended the date that unaffiliated and independent candidates may begin collecting signatures. Extensions and related orders: [D 2020-085](#), [D 2020-119](#), [D 2020-148](#).

[Executive Order D 2020-293](#) redirects remaining state fund balances on Communities that Care-related contracts between CDPHE and local public health agencies for COVID-19 response activities (in effect until 1/29/2020).

**COVID-19 dial framework.** [Executive Order D 2020-235](#) combines the Protect Our Neighbors, Safer at Home in the Vast, Great Outdoors, and Stay at Home directives into one framework called the dial. The framework puts each county into one of five dial levels based on the number of COVID-19 cases and hospitalizations, percentage of tests coming back positive, and whether these measures are improving or getting worse. Extensions and related orders: [D 2020-265](#), [D 2020-289](#) (in effect until 1/27/2021).

**Department of Human Services federal funds (expired August 26, 2020).** [Executive Order D 2020-120](#) directed the Colorado Department of Human Services (CDHS) to access federal funds for child care services. [Executive Order D 2020-149](#) allowed the CDHS to access additional federal funds in order for counties to reimburse operating child care programs where enrollment is down as a result of the pandemic.

**Economic relief.** [Executive Order D 2020-230](#) provides a one-time payment of \$375 to Coloradans who earn less than \$52,000 a year and have filed for unemployment benefits during the COVID-19 pandemic. Extensions and related orders: [D 2020-262](#), [D 2020-287](#) (In effect until 1/25/2021, but Disaster Emergency Funds to remain available until 2/28/2021).

**Elections.** [Executive Orders D 2020-005](#) and [D 2020-008](#) direct the Secretary of State to amend rules to limit in-person contact during elections to allow the 2020 Primary Election to proceed without interruption. The Secretary of State was also authorized to adopt rules to provide necessary guidance for conducting elections during a public health emergency. **Evictions (expired October 22, 2020).** [Executive Order D 2020-101](#) required landlords to give 30 days notice to tenants who are late on their rent before initiating an eviction and clarified that tenants have the opportunity to cure any default for nonpayment. It also prohibited landlords and lenders from charging late fees or penalties due to nonpayment, but did not relieve an individual from their obligation to make mortgage or rent payments. Extensions and related orders: [D 2020-134](#), [D 2020-162](#), [D 2020-185](#), [D 2020-202](#).

Extensions and related orders: [D 2020-031](#), [D 2020-051](#), [D 2020-088](#).

**Eviction moratorium.** [Executive Order D 2020-223](#) requires residential and commercial landlords to adhere to certain requirements before evicting tenants who have been economically harmed by COVID-19.
