Survey of Refugee Integration YEAR ONE

Hello! My name is _____ and I'm from the _____. You were selected to participate in a survey. You are being asked to take this survey now, and you may be asked to take it again in one year, and then again in two years, and then again in three years. When you take it this time, you are doing it as a volunteer. If you are selected to take it in future years, you will be paid \$10 each time you take it.

The purpose of this survey is to gather information about refugees' employment, education, health, housing situation, and more, so that we can understand what it is like for you to move to a new country and so that we can make this move easier for refugees in the future. We intend to inform the State of Colorado about the needs of refugees during their first four years in the U.S.

The survey is voluntary and you do not have to answer any questions you do not want to. It takes about 20-25 minutes to complete. There are no risks to taking this survey. Your answers will be kept confidential and will not be connected with your name.

If you have any questions about the survey, I'll try to answer them as best I can now or I could give you the name of a person to call (Ms. Maggie Miller at 303-886-5116). Do you have any questions? *[Answer any questions.]* After today, if you have any questions, you should contact Maggie Miller.

Great. Thank you in advance for taking this survey.
