

About CSU-Global Campus

Colorado State University-Global Campus is committed to advancing modern students in our global market by providing high quality, career-relevant, educational programs where skills can be used immediately in the workplace.

Online learning prepares students to excel in today's technology-based workplace.

Over **17,500 active students** from every U.S. state and territory, and over 50 countries.

CSU-Global provides adult nontraditional learners with regionally accredited bachelor's and master's degrees, nationally and professionally recognized certificates, and continuing education opportunities.

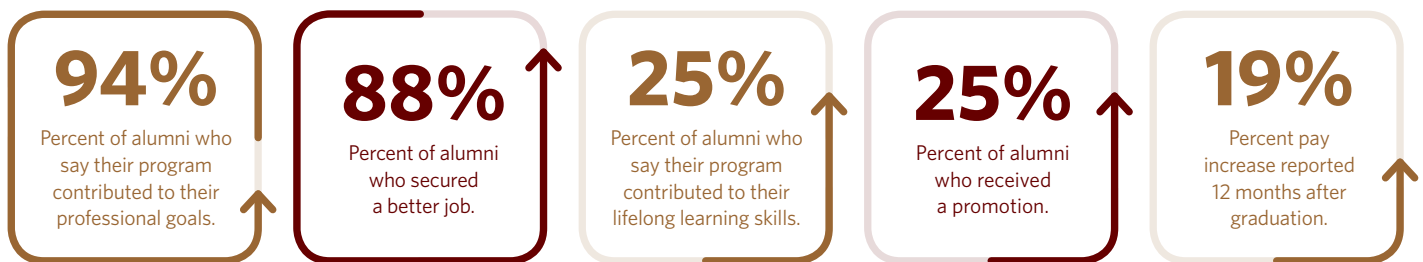

The nation's first and only **100% online, independent, regionally accredited nonprofit university** built to serve the needs of nontraditional learners.

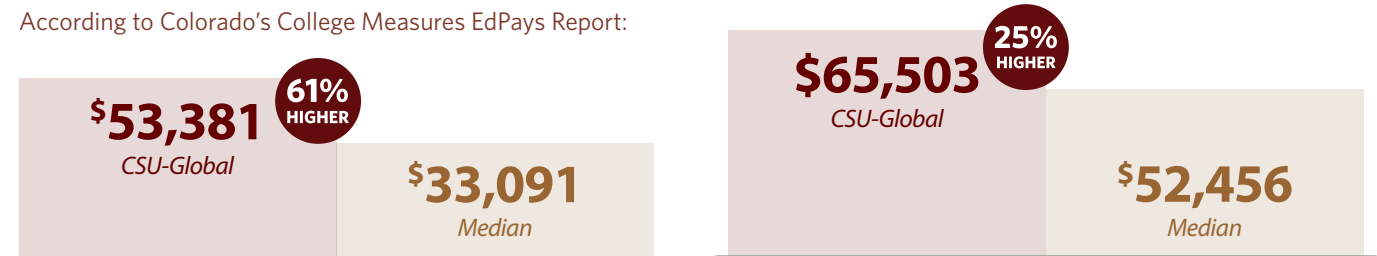

Governed by the CSU System Board of Governors.

Academic Quality and Career Relevant Success Since 2008

Unlike many traditional institutions, CSU-Global focuses on career-readiness, student return on investment, and employer satisfaction. Alumni surveys are sent each year to ensure the university is contributing to the professional and personal success of our graduates. Our most recent survey from Winter 2015 revealed the following:

According to Colorado's College Measures EdPays Report:

YEAR ONE earnings for graduates with a **Bachelor's** degree.

YEAR ONE earnings for graduates with a **Master's** degree.
