6. Cooperative Studies and Activities

(a) Article VIII G (1) of the Arkansas River Compact requires the Administration to cooperate with the Chief Official of each of the States of Colorado and Kansas charged with the administration of water rights in their respective States, and with the Federal agencies in systematically determining and correlating the facts pertaining to the flow and diversion of the waters of the Arkansas River and to the operation and siltation of John Martin Reservoir and other related structures. Article VIII G (2) requests the Director of the United States Geological Survey, the Commissioner of the United States Bureau of Reclamation, and the Chief of the Engineers, United States Army, to cooperate and collaborate with the Administration and with appropriate State officials in such determinations and correlations of streamflow and related data. Under the By-laws of the Administration, these cooperative studies and activities are assigned to the Engineering Committee of the Administration.

(b) During the year covered by this report the Administration has received excellent cooperation from all agencies referred to in the foregoing provisions of the Compact. The United States Geological Survey has continued the operation of the compact gaging stations and the analyses and compilation of the hydrologic data presented in this report and used in the administration of the Compact. The Corps of Engineers continued to operate the conservation pool of John Martin Reservoir in accordance with the terms of the compact and the orders of the Administration.

## 7. Water Supply, Reservoir Operation and Hydrologic Data

On November 1, 1967, the beginning of the Compact Year, there were 14,999 acre-feet of water in storage in John Martin Reservoir. Inflow to the reservoir during the winter storage period amounted to 21,520 acre-feet. Outflow from the reservoir during the same period was 2,250 acre-feet. On March 31, 1968, there were 42,949 acre-feet in storage which was a total gain in storage during the winter of 27,950 acre-feet.

Releases of stored water were begun at 8:30 a.m. on April 1, 1968, to meet the demands of Colorado and Kansas. Releases were continued until the reservoir was emptied at 9:00 a.m. on April 21, 1968.

River flow was passed through the reservoir until 3:15 p.m. on June 15, 1968, when the gates were closed to store runoff. Releases were made again at 10:00 a.m. on June 16, 1968, at the demand of Colorado and the reservoir was again emptied at 9:00 p.m. on June 23, 1968. Maximum water in storage during this period amounted to 2,812 acre-feet at midnight on June 16, 1968.

River flow was again passed through the reservoir until runoff above the reservoir provided an opportunity to store water. The gates were closed for 10 hours beginning at 9:00 a.m. on July 28, 1968, and again for 8 hours from midnight August 14, 1968, to 8:00 a.m. on August 15, 1968. Water accumulated in storage reached a maximum of 10,518 acre-feet at midnight on August 12, 1968. Releases were begun at 7:00 p.m. on July 28, 1968, to meet the demands of Colorado and increased on July 30, 1968, to meet the demands of Kansas. Demands by both states continued until the reservoir was declared empty at noon on August 22, 1968.

The reservoir remained empty and river flow was passed through the reservoir until the gates were closed at the end of the irrigation season at midnight on October 31, 1968.

Inflow into John Martin Reservoir during the irrigation season totaled 103,880 acre-feet which is 66 per cent of the nineteen-year average.

Total diversions downstream from John Martin Reservoir during the period April 1 through October 31 by the ditches in Colorado Water District No. 67 was 141,300 acre-feet. Ditch diversions in Kansas for the same period amounted to 80,903 acre-feet.

Reservoir releases April 1 through October 31 were 145,250 acre-feet which was 76,953 acre-feet less than total diversions below John Martin Reservoir. Runoff from areas below the reservoir and return flows provided 35 per cent of the water diverted during the irrigation season.

Releases from the reservoir averaged 7.5 c.f.s. from November 1, 1967, to March 31, 1968, and 342 c.f.s. from April 1, 1968, to Octo-

ber 31, 1968. Stateline flows for corresponding periods averaged 121 c.f.s. and 184 c.f.s. respectively.

The total discharge for the year at Garden City was 49,140 acre-feet of which 35,040 acre-feet or 71 per cent occurred as winter flows.

## 8. GAGING STATIONS

In general, streamflow records of satisfactory accuracy were obtained at the Compact stations. Emphasis was continued on performing additional field work to increase the accuracy of the records and on providing current streamflow data to the Administration and State officials as required.

It will be noted that there are differences in the releases from the reservoir, as measured at the gaging station, and the daily demands by Colorado and Kansas. Perfect agreement cannot be obtained, but the differences could be minimized by relocating the gaging station nearer to the dam and installing an artificial control. This would stabilize the rating and also reduce the time involved in adjusting the gates to the required release.

The recording gage for the Arkansas River at Lamar was relocated at the bridge on U. S. Highways 50 and 287 in March 1968 because channel improvements caused the previous gage, located 450 ft. above the bridge, to be isolated from the river at low stages. A 42-inch galvanized metal shelter was installed near the north end of the bridge for the gas-purge manometer. The old structure will be left in place for the time being.

The radio-relay stations between the Coolidge gaging stations and Garden City, one south of Syracuse and the other west of Lakin, were completed and the radio equipment was installed in March 1968.

The Administration approved a cooperative agreement with the U. S. Geological Survey for the fiscal year July 1, 1968 to June 30, 1969 in the amount of \$4,400; \$2,200 for each party. These funds are for the operation of the Compact station at Lamar, the additional field work at the other Compact stations, the providing of current streamflow data, and the preparation of records for the Annual Report.

## 9. Findings of fact by the Administration

The Administration has had no occasion, during the period cov-

ered by this report, to make any Findings of Fact under the provisions of the Arkansas River Compact.

Respectfully submitted

Certified Public Accountant  
Johnson-Strait Building  
Lamar, Colorado 81052

December 9, 1968

To the Representatives  
Arkansas River Compact Administration  
Lamar, Colorado

Gentlemen:

We have examined the receipts, disbursements and changes in Fund Balances of the Arkansas River Compact Administration for the fiscal year ended October 31, 1968. Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

We submit herewith the following financial statements:

EXHIBIT A — Statement of Receipts, Disbursements and Changes in Fund Balances for the fiscal year ended October 31, 1968.

SCHEDULE 1 — Statement of Receipts and Disbursements Compared with Budget for the Budget Year July 1, 1967 to June 30, 1968.

COMMENTS

EXHIBIT A

Exhibit A presents the cash receipts and disbursements of the Arkansas River Compact Administration. The assessments for the current year were received in August, 1968.

SCHEDULE 1

The receipts and disbursements for the budget year of July 1, 1967 to June 30, 1968, as compared with budgeted amounts are shown in

Schedule 1. This schedule differs from the report year of November 1, 1967 to October 31, 1968, and is the result of combining the receipts and disbursements for the appropriate months of the current and previous report years.

Financial position of the administration as compared with fiscal year November 1, 1966 to October 31, 1968 is shown below:

COMPARATIVE BALANCE SHEET

ASSETS	OCT. 31, 1967	OCT. 31, 1968
Cash in Bank. . . . .	\$ 12,926.57	\$ 10,045.19

FUND BALANCES. . . . .	<u>\$ 13,694.07</u>	<u>\$ 11,004.44</u>

OPINION

In our opinion the statement of receipts, disbursements and changes in fund balances presents fairly the financial position of the Arkansas River Compact Administration at October 31, 1968, and the results of operations for the fiscal year then ended on a basis consistent with that of the preceding year.

Respectfully submitted,

Strait & Crimond

**Appendix "C"**  
**By-Laws**  
**Of**  
**Arkansas River Compact Administration**

(As Amended November 1, 1953 to October 31, 1968)

\* \* \* \* \*

**Preamble**

Pursuant to Article VIII B (1) of the Arkansas River Compact, these by-laws were adopted by the Arkansas River Compact Administration on the 14th day of November, 1949, namely:

**Article I**  
**The Administration**

1. The Arkansas River Compact Administration is herein referred to as "the Administration."

2. Membership of the Administration shall consist of three representatives from each of the States of Colorado and Kansas, designated or appointed as provided by the Arkansas River Compact and the law of each of such States, and, if designated by the President, one representative of the United States of America.

3. The credentials of each such representative shall be filed with the Secretary of the Administration.

4. Each representative shall advise in writing the Secretary of the Administration as to his address, to which all official notices and other communications of the Administration shall be sent and shall further promptly advise in writing the Secretary as to any change in such address.

**Article II**  
**Officers**

1. The officers of the Administration shall be:

Chairman  
Vice Chairman  
Secretary  
Treasurer

2. The representative of the United States of America shall be the Chairman of the Administration. The Chairman shall preside at meetings of the Administration. His duties shall be such as are usually im-

posed on such an officer and such as may be assigned to him by these by-laws or by the Administration from time to time.

3. The Vice-Chairman shall be a member of the Administration. He shall be elected at the annual meeting of the Administration, and shall hold office until the next annual meeting of the Administration and until his successor is elected. In the case of a vacancy in the office of Vice-Chairman, the Administration at its next meeting, whether regular or special, shall elect a Vice-Chairman to serve for the unexpired term; and the election of a Vice-Chairman may be made at any meeting of the Administration prior to the holding of its first annual meeting, and in such case he shall hold office until such annual meeting. The Vice-Chairman shall perform all duties of the Chairman when the latter is unable for any reason to act or when, for any reason, there is a vacancy in the office of the Chairman. In addition, the Vice-Chairman shall perform such other duties as may be assigned to him by these by-laws or by the Administration from time to time.

4. The Secretary may or may not be a member of the Administration. He shall be elected by the Administration at its annual meeting and shall serve until the next annual meeting and until his successor is elected, except that he may be elected at any meeting of the Administration prior to the holding of the first annual meeting, and in such case shall hold office until such annual meeting. In the case of a vacancy in the office of Secretary, the Administration shall, at its next meeting, whether regular or special, elect a Secretary to serve for the unexpired term. The Secretary shall perform such duties as are usually imposed on such an officer and such as may be assigned to him by these by-laws or by the Administration from time to time. He shall furnish a bond for the faithful performance of his duties if the Administration so directs. The cost of such bond shall be paid by the Administration.

5. The Treasurer may or may not be a member of the Administration; and the office of Secretary and Treasurer may be held by the same person if directed by the Administration. He shall be elected at the annual meeting of the Administration and shall hold office until his successor is elected and shall have qualified, except a treasurer may be elected prior to the first annual meeting of the Administration and in such case shall hold office until such annual meeting. He shall receive, hold, disburse and keep records of all funds of the Administration; and he shall furnish a bond for the faithful performance of his duties in such amount as the Administration may direct. The cost of such bond shall be paid by the Administration. In the case of a vacancy in the office of Treasurer, the Administration shall, at its next meeting, whether regular or special, appoint a successor to serve for the unexpired term.

6. The Administration may employ such engineering, legal, clerical, and other personnel as, in its judgment, may be necessary. They shall receive such compensation and perform such duties as may be fixed by the Administration. Such employees shall not be considered as employees of either Colorado or Kansas.

## **Article III**

### **Principal Office**

1. The principal office and place of business of the Administration shall be located in the City of Lamar, Colorado.
2. The principal office shall be open for business on such hours and days as the Administration may from time to time direct.
3. All books and records of the Administration shall be kept in the principal office of the Administration.

## **Article IV<sup>1</sup>**

### **Meetings**

1. The annual meeting of the Administration shall be held on the second Tuesday in December of each year.
2. (a) Special meetings of the Administration may be called by the Chairman or, in the case of a vacancy in the office of Chairman or inability of the Chairman to act, by the Vice-Chairman. Upon the written request of two or more representatives, it shall be the duty of the Chairman, or Vice-Chairman, as the case may be, to call such a meeting.  
(b) Special telephonic meetings of the Administration may be held by telephonic communications between the several members of the Administration in respect to all matters arising under Article VF of the Compact; Provided that such special telephonic meetings may be called by the Chairman, Vice-Chairman or any member of the Operations Committee, and in any case at least two representatives of each State shall participate personally in such special telephonic meetings and concur in the action taken as a result of such meeting. And provided further, that the Secretary of the Administration shall prepare minutes of any special telephonic meeting and such minutes shall be acted upon by the Administration at the next Annual meeting or special meeting held under sub-section (a) hereof.
3. Notices of all annual meetings of the Administration shall be sent by the Secretary, or in the case of a vacancy in the office of Secretary, or the inability of the Secretary to act, by the Chairman or Vice-Chairman, as the case may be, to the members of the Administration by ordinary mail at least ten days in advance of such annual meetings. Notice of special meetings shall be given by the Secretary to the members of the Administration by the most expeditious method so as to allow as much time prior to such special meetings as conditions permit.
4. All annual meetings of the Administration shall be held at the principal office of the Administration. Unless otherwise agreed to in advance by all members of the Administration, special meetings shall be held at the office of the Administration.
5. The Administration shall keep a record of the proceedings of all its meetings. The minutes of such proceedings shall be preserved in a suitable manner as directed by the Administration. Minutes of proceed-

---

<sup>1</sup>As amended March 27, 1962 and September 21, 1962

ings until approved by the Administration shall not be official and shall be furnished only to members of the Administration, its employees, and committees. Distribution of official minutes shall be made by the Secretary in accordance with directives of the Administration.

6. A quorum for any meeting of the Administration and the casting of votes by representatives of the States on the Administration shall be in accord with Paragraph D of Article VIII of the Arkansas River Compact; and any action by the Administration shall be determined by vote as required by such Paragraph D of Article VIII of the Compact. If a quorum is not present at any meeting, the members present, one or more, may adjourn from time to time without further notice until a quorum is obtained.

7. At each meeting of the Administration, the order of business, unless otherwise agreed, shall be as follows:

- Call to order;
- Reading of minutes of last meeting;
- Approval of minutes of last meeting;
- Report of Chairman;
- Report of Secretary;
- Report of Treasurer;
- Report of Committees;
- Unfinished business;
- New business;
- Adjournment.

8. All meetings of the Administration, except executive sessions, shall be open to the public.

9. Any meeting of the Administration may be adjourned or continued from time to time and from the place set for the meeting to another place.

10. Public notice of all annual and special meetings shall be given in an appropriate manner, determined by the Administration, except in cases where the Administration determines to hold an executive session.

## **Article V**

### **Committees**

1. There shall be the following standing committees:
  - Administrative and Legal Committee
  - Engineering Committee
  - Operations Committee
2. Each of such committees shall be made up of two representatives of the Administration and the Chairman shall be ex-officio member of all committees. In all committee action a vote shall be taken by States with each State having one vote.
3. The standing committees shall have the following duties:
  - (a) The Administrative and Legal Committee shall advise the Administration with respect to budgets and accounting office personnel, equipment, records, and legal matters; and shall prepare the draft of the annual report of the Administration.
  - (b) The Engineering Committee shall advise the Administration

on all engineering matters; and shall compile all pertinent engineering data and records.

(c) The Operations Committee shall advise the Administration concerning, and shall have direct supervision over, rules and regulations governing the storage and releases of water from John Martin Reservoir and over such other Arkansas River interstate administration and operation between the States of Colorado and Kansas as come within the purview of the Arkansas River Compact, subject at all times to the provisions of such compact and the directives of the Administration thereunder. This committee shall be responsible for maintaining appropriate relations, under the direction of the Administration, with the chief officials of each of the States of Colorado and Kansas charged with the administration of water rights, and for maintaining appropriate relations with interested Federal agencies. The Operations Committee shall also be responsible, under directives and orders of the Administration, for supervision over employees of the Administration engaged in the interstate administration of the waters of the Arkansas River pursuant to the Arkansas River Compact.

4. The Chairman of each Committee shall be designated by the Administration.

5. The Administration may, from time to time, create special committees composed of such members of the Administration and others as it may determine and assign to such committees such tasks as the Administration may designate.

6. Each committee shall make a report to the Administration at each annual and regular meeting and shall make such further reports as may be directed by the Administration. Unless otherwise authorized, all such reports shall be in writing and filed with the Secretary of the Administration.

## **Article VI**

### **Rules And Regulations**

1. The Administration shall adopt Rules and Regulations necessary for the administration of the Arkansas River Compact, consistent therewith and with these by-laws.

2. All proposals for Rules and Regulations, or for changes in them, shall be presented to the Administration in writing and shall not be acted on at the meeting when first presented, but shall go over for action at a designated subsequent meeting of the Administration.

3. Following the presentation to the Administration, public notice of all proposed Rules and Regulations and changes in Rules and Regulations shall be given by two publications, at least one week apart, in some newspaper of general circulation in the area of each State affected by the Arkansas River Compact. The representatives on the Administration from each State shall designate the newspaper in their State in which such publication shall be made. No Rule or Regulation and no change in any Rule or Regulation shall be effective until a date specific-

ally stated in the published notice, which date shall be at least ten days after the last publication.

4. The provisions, contained in this Article, for Rules and Regulations and notice thereof shall not be effective in the case of any notice which is otherwise required under the Arkansas River Compact or in any case where, in the judgment of the Administration, effective administration and the public interest under the Arkansas River Compact, require more expeditious action.

5. It shall be the duty of the Secretary to see that the necessary notices are published as herein required.

6. It shall be the duty of the Secretary to compile the Rules and Regulations of the Administration and to prepare copies for distribution to the public under such terms and conditions as the Administration may prescribe.

## **Article VII**

### **Fiscal**

1. All funds of the Administration shall be received by the Treasurer and deposited by him to the credit of the Administration in a depository or depositories designated by the Administration.

2. Disbursement of such Administration funds shall be made by check signed by the Treasurer and countersigned by the Chairman or Vice-Chairman of the Administration.

3. The Administration shall annually adopt and transmit to the Governor of each State its Budget covering anticipated expenses for the ensuing fiscal year, and the amount thereof payable by each State.<sup>2</sup>

4. The fiscal accounts of the Administration and its employees shall not be subject to the auditing and accounting procedures of either the States of Colorado or Kansas; provided, that each State shall have the right to make an examination and audit of the accounts of the Administration at any time.

5. All receipts and disbursements of the Administration shall be audited yearly by a certified public accountant to be selected by the Administration, and the report of audit shall be included in the annual report of the Administration.

6. The Treasurer shall prepare and keep an up-to-date inventory of all the property of the Administration.

7. The fiscal year of the Administration shall begin July 1 of each year and end June 30 of the next succeeding year.

<sup>2</sup>As amended December 11, 1956.

first of each year to the Governors of the States of Colorado and Kansas and to the President of the United States a report covering its activities for the preceding report year. The annual report shall include, among other things, the following:

- (a) The receipts and expenditures of all funds of the Administration and all pertinent financial data.
- (b) All hydrologic data relating to the Arkansas River which the Administration deems pertinent.
- (c) Statements as to cooperative studies of water supplies made during the preceding year, including cooperative studies and activities with any Federal agency.
- (d) All findings of fact made by the Administration during the preceding year.
- (e) Such other pertinent matters as the Administration may deem advisable.

## **Article IX**

### **Seal**

1. The official seal of the Administration shall be circular in form with the words "Arkansas River Compact Administration" imprinted around the border and the word "Seal" in the center thereof.

2. The Secretary of the Administration shall have custody of the seal of the Administration.

## **Article X**

### **Miscellaneous**

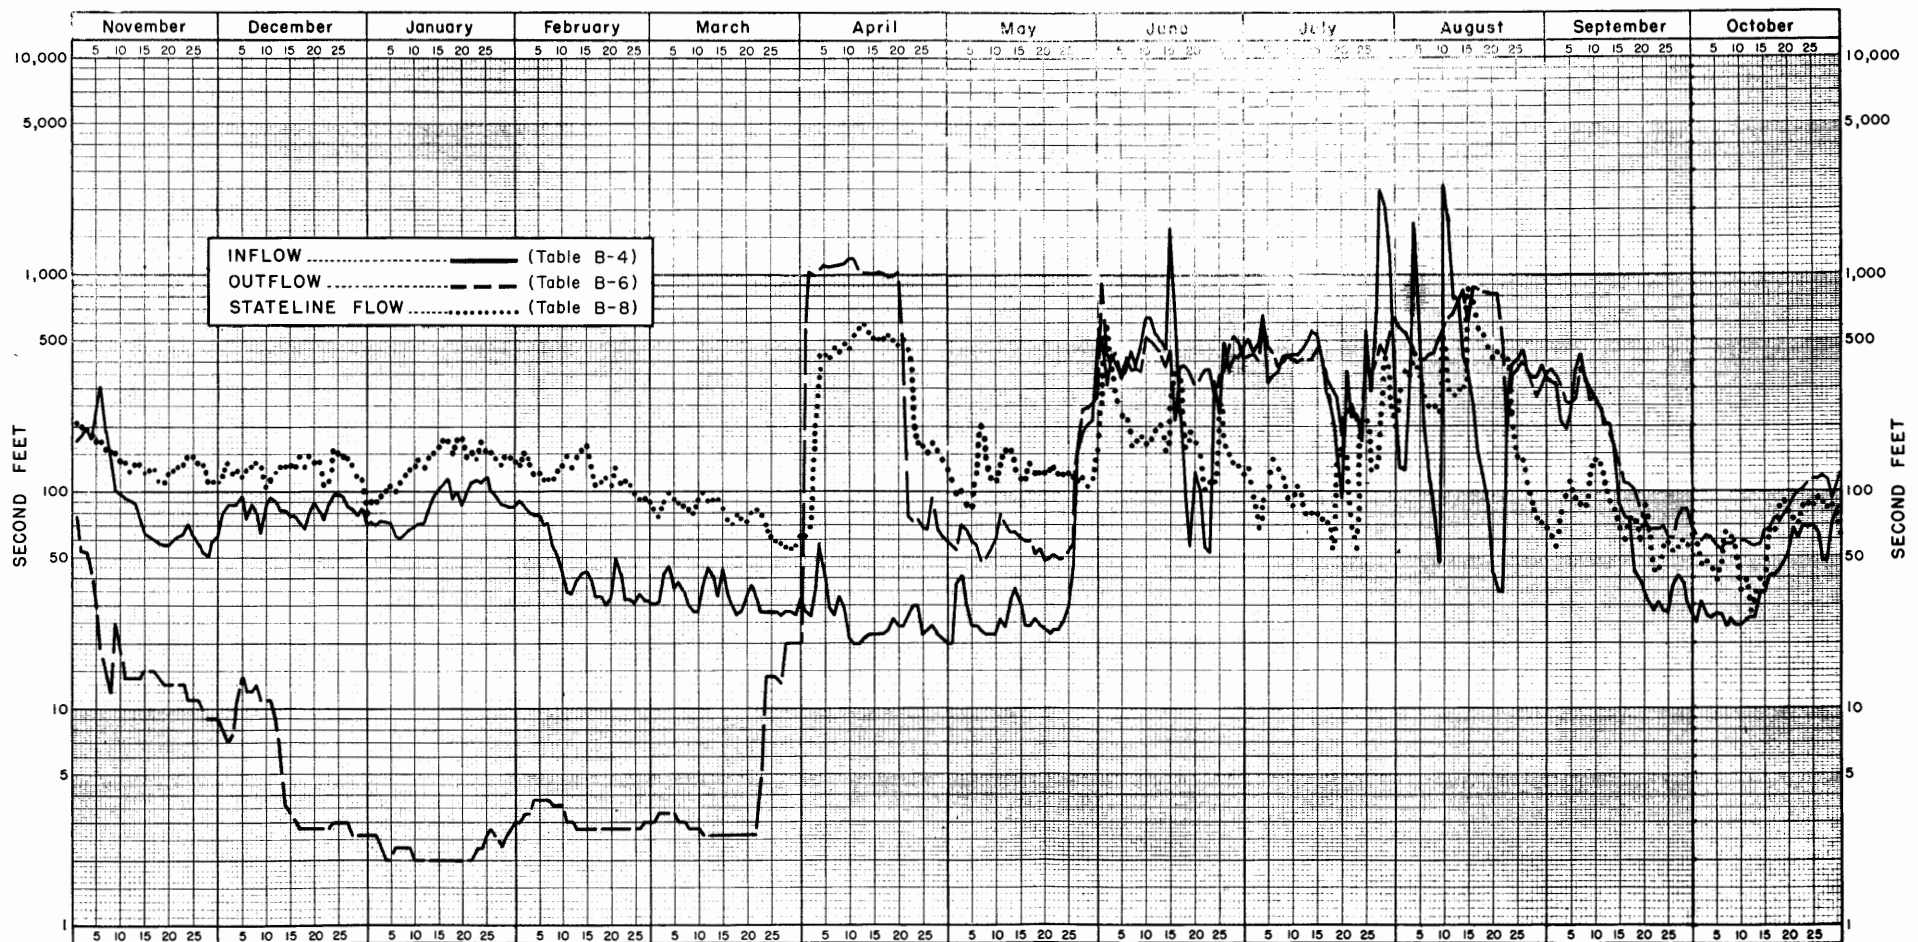

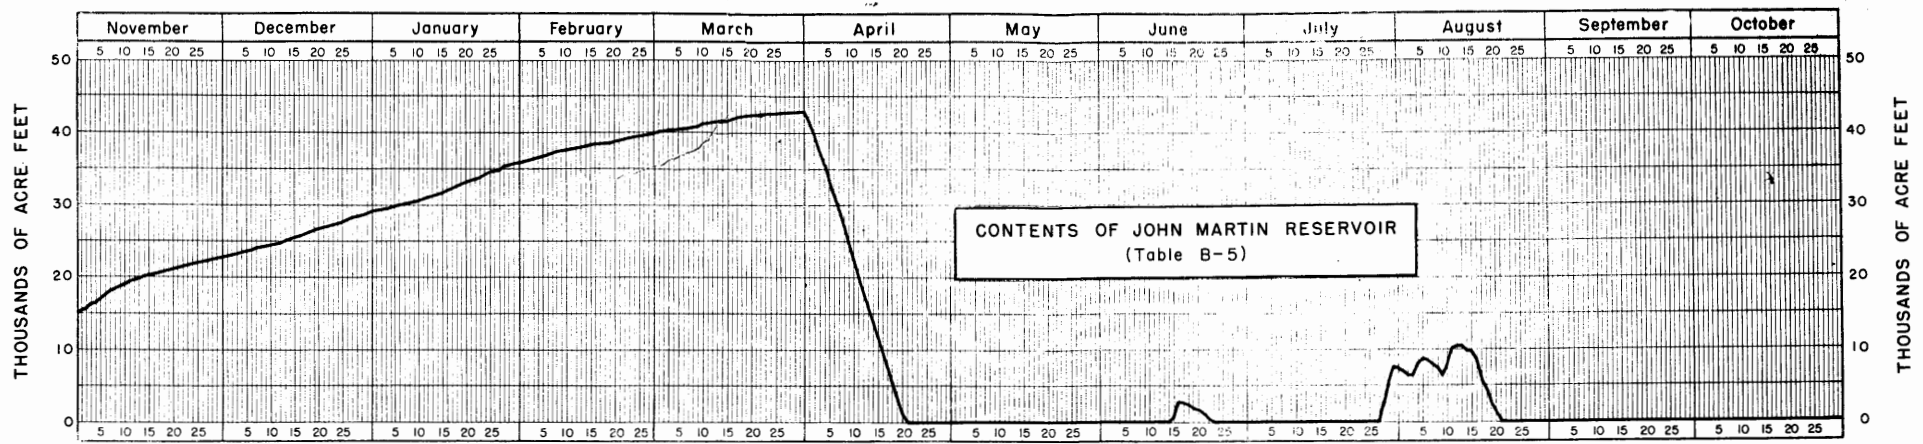

1. The Administration and its Secretary on request shall furnish to the Governor of each of the States of Colorado and Kansas any information within its possession at any time, and shall always provide free access by the public to its records. Except in the case of the Governor of each of the States of Colorado and Kansas, or interested Federal agencies, the cost of furnishing information shall be paid by the person seeking it at such rates as may be fixed by the Administration.

2. All contracts and other instruments in writing required to be signed for and on behalf of the Administration, except matters relating to the receipt and disbursement of funds, shall be signed by the Chairman or Vice-Chairman and Secretary. The seal of the Administration shall be affixed thereto.

## **Article XI**

### **Amendments To By-Laws**

1. Amendments to the By-Laws may be made at any meeting of the Administration, provided notice of the proposed amendment shall have been given in the notice of the meeting.
