Homeland Security

Dear Senator Groff and Representative Weissman:

I am writing to inform you that the Governor's Office of Homeland Security does not provide state public benefits in the form of a license or certification. The Office allocates Federal Homeland Security Grant funding among public entities statewide, and therefore has nothing to report under Section 24.-76.5-102(9), C.R.S.

Please do not hesitate to contact me should you have any questions.

Sincerely,

MASON C. WHITNEY
Director, Governor's Office of Homeland Security
